B. A. To be completed by a laboratory worker

Date and signature of the person accepting the Application:

INSTRUCTIONS FOR PREPARING THE PRODUCT FOR TESTING

Products for testing should be delivered in accordance with the following guidelines to the following address:

UL. P. WYSOCKIEGO 15

05-820 PIASTÓW

Phone number: +48 600 015 973, +48 22 478-55-11

e-mail: agata.laboratorium@centrumjakosci.pl, biuro@centrumjakosci.pl

1. SELECTION OF THE PRODUCT / PRODUCTS FOR TESTING

Each product submitted for testing must be identical to the form that is made available for sale. In the case of performing tests for the purposes of certification, the typing of the product should be consulted with the certification body beforehand.

If the product requires assembly, a fee of PLN 300 / hour will be added.

2. ATTACHING LABELS AND INSTRUCTIONS

The product delivered for testing should have:

- appropriate marking,
- assembly instructions,
- instructions for use,
- packaging (if applicable).

3. ATTACHING A COPY OF THE COMPLETED APPLICATION

The basis for starting the study is the delivery of a test application, duly completed and signed by the client. The application should be delivered by e-mail to the address biuro@centrumjakosci.pl and attached in paper form to the product for testing. The name and quantity of products submitted for testing on the application should be consistent with the information on the product in the instructions and labeling.

4. SPECIAL STORAGE CONDITIONS (IF APPLICABLE)

If the products require storage under certain conditions (temperature, humidity, setting) then this information should be provided.

UTILIZATION! Time for the acceptance of the test object by the customer up to 7 working days, from the moment the laboratory informs about the completion of the tests. If the product is not collected after testing from the laboratory, a utilization fee will be charged - a minimum of PLN 100 net.
